Yellow rows = in person | White and gray rows = online | Green rows = review and practice exams | Every class runs 6:00 to 9:00 PM ET with two 10-minute breaks.

Your apps
Class site: noyder6143.github.io/jmalc. Sign in with class code **DL100** so your progress saves and your teacher can see it.
IC3 Quest: 7 levels + Boss. Learn, Cards, Sims, Games, Quiz. Get the badge at 80%+.
Practice Lab: topic tests (TT-), Objective Reviews (OR-D1 to D7), practice exams, and the Final Exam Review (45 questions, 50 minutes).
GMetrix: program/97 for the lesson videos. program/197 for topic tests and practice exams. Training Mode first, then Testing Mode.

Every day (10 minutes)
Flashcards, the Practice Lab Missed deck, or one Quest level. 10 minutes a day beats 2 hours the night before.
Online classes
Join by 6:00 PM ET, stay signed in on the class site, and keep your mic muted until it is your turn. Cameras optional.
The real exam
Multiple-choice style only, about 45-50 questions in 50 minutes. Your teacher will help you schedule it once you are ready.

Your targets
By Oct 28: Hardware and Mobile topic tests 80%+.
By Nov 4: Software 75%+, File Sharing and Backup 80%+.
By Nov 11: all 7 topic tests 80%+ and all 7 Quest badges.
Ready to test: Final Exam Review 80%+ two times on different days, GMetrix IC3 for Compass practice exams 80%+, no topic under 70%, and the Boss Battle 80%+.
